LOS ANGELES - The California Department of Transportation (Caltrans) will close up to two lanes of the southbound Hollywood Freeway (SR-170), from 7 p.m. to 9 a.m. Tuesday September 5 through Friday, September 8, 2006, from Roscoe Boulevard to Sherman Way, to complete work in preparation for new sound wall construction. The southbound SR-170 high occupancy vehicle (HOV or carpool) lane in this location will be open for all vehicles during these closures. Detour signs will be posted to direct the flow of traffic.

In addition, from 9 a.m. to 3 p.m. Tuesday, September 5 through Friday, September 8 the eastbound and westbound Roscoe Boulevard on-ramps to southbound SR 170 will be closed.

This \$5.2 million project will construct a soundwall along southbound SR-170 from Roscoe Boulevard to Strathern Street. Construction is expected to complete spring 2007. Closures are weather permitting and subject to change.
